***There is no limit to what
A team of dedicated individuals
Is capable of doing when
They are committed to act as one!!!!***

Thank you so very much for opening your heart and your business to the students at Spring Lake High School!!!! You have unselfishly allowed the students to learn from you, first hand, giving them a snapshot of what their future may look like!!!!

I cannot possibly duplicate this in the classroom, so I hope you realize how appreciative I am to have you as a part of my extended classroom for the past 13 years!!!

As I retire, at the end of this school year, I hope you will consider continuing your relationship with the students and staff at Spring Lake High School!!!!

**Fondly,
Sandy Baker**
